

**QUESTION #10**

**What should I do about the harassing/annoying phone calls I'm receiving?**

**ANSWER:**

**If you are receiving either harassing or annoying phone calls, press \*57 after the call. This will cost you approximately \$4.00. (The purpose of pressing \*57 is to log/trace the call.) After pressing \*57, call the Versailles Police Department dispatch at (937)548-2020 and have an officer dispatched to your residence. When the officer arrives, inform him you pressed \*57. The officer will take a statement from you regarding the harassing or annoying call.**
